

Find offers in Partnerize

1. Click **Content** in the navigation.

2. You will see a table with an overview of all Avira creatives and offers. Depending on what you want to use for advertising, **click the number in either the Image (for banner ads) or Text (text links) column.**

Overview

Creative Overview													
Campaign	QL	Image	HTML	Email	Text	Feed	Lead Form	HTML: 0	Image: 16	Text: 73	Email: 6	Feed: 0	Lead: 0
Avira Antivirus & Security		16	0	0	73	0	0						

3. Click **Text**.

- After clicking, you will see a table with all tracking links below.
- Click one of the column names to start a search in that particular column. Start a search in the Description column and search for "EN – Prime B2B Partner."
- Copy the link from the Tracking Link column. If you want to earn commission, you or your customer must buy a product from this link.

Creative Overview

Creative Type	Creative ID	Description	Destination	Default Creative Code	HTML Tracking Code	Tracking Link	Open in New W...
Avira	101157063	EN - Prime B2B Partner	https://www.avira.com/de	<script type="text/javascript" src="https://creative...	<a href="https://prf.hnckd.com/101157063/crea...	https://prf.hnckd.com/101157063/crea...	<input type="checkbox"/>

- If you want to find more exclusive B2B partner links, just search for "B2B Partner" in the Description column.

4. Click **Image**.

- After clicking, you will see a list with all Avira banners.
- In order to find an exclusive B2B partner banner, click the orange button, **Filter view by tags**, and filter for "B2B Partner."
- Click one of the banners and copy the "Default Creative Code" of the "HTML Tracking Code." Then, implement that link into your website.
